

Beyond the Classroom: Unspoken Realities of a Data Science Career

Brandon Sucher

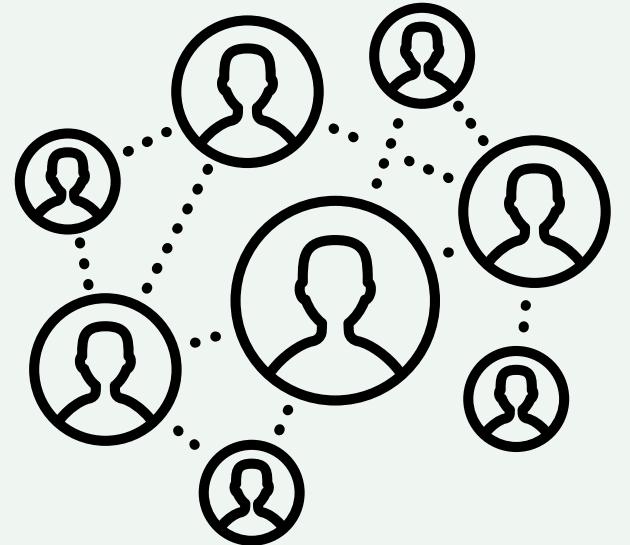

Let's look
at the data

Career success
and satisfaction

Career Trajectory for Young Professionals

Expand your network

Find your niche

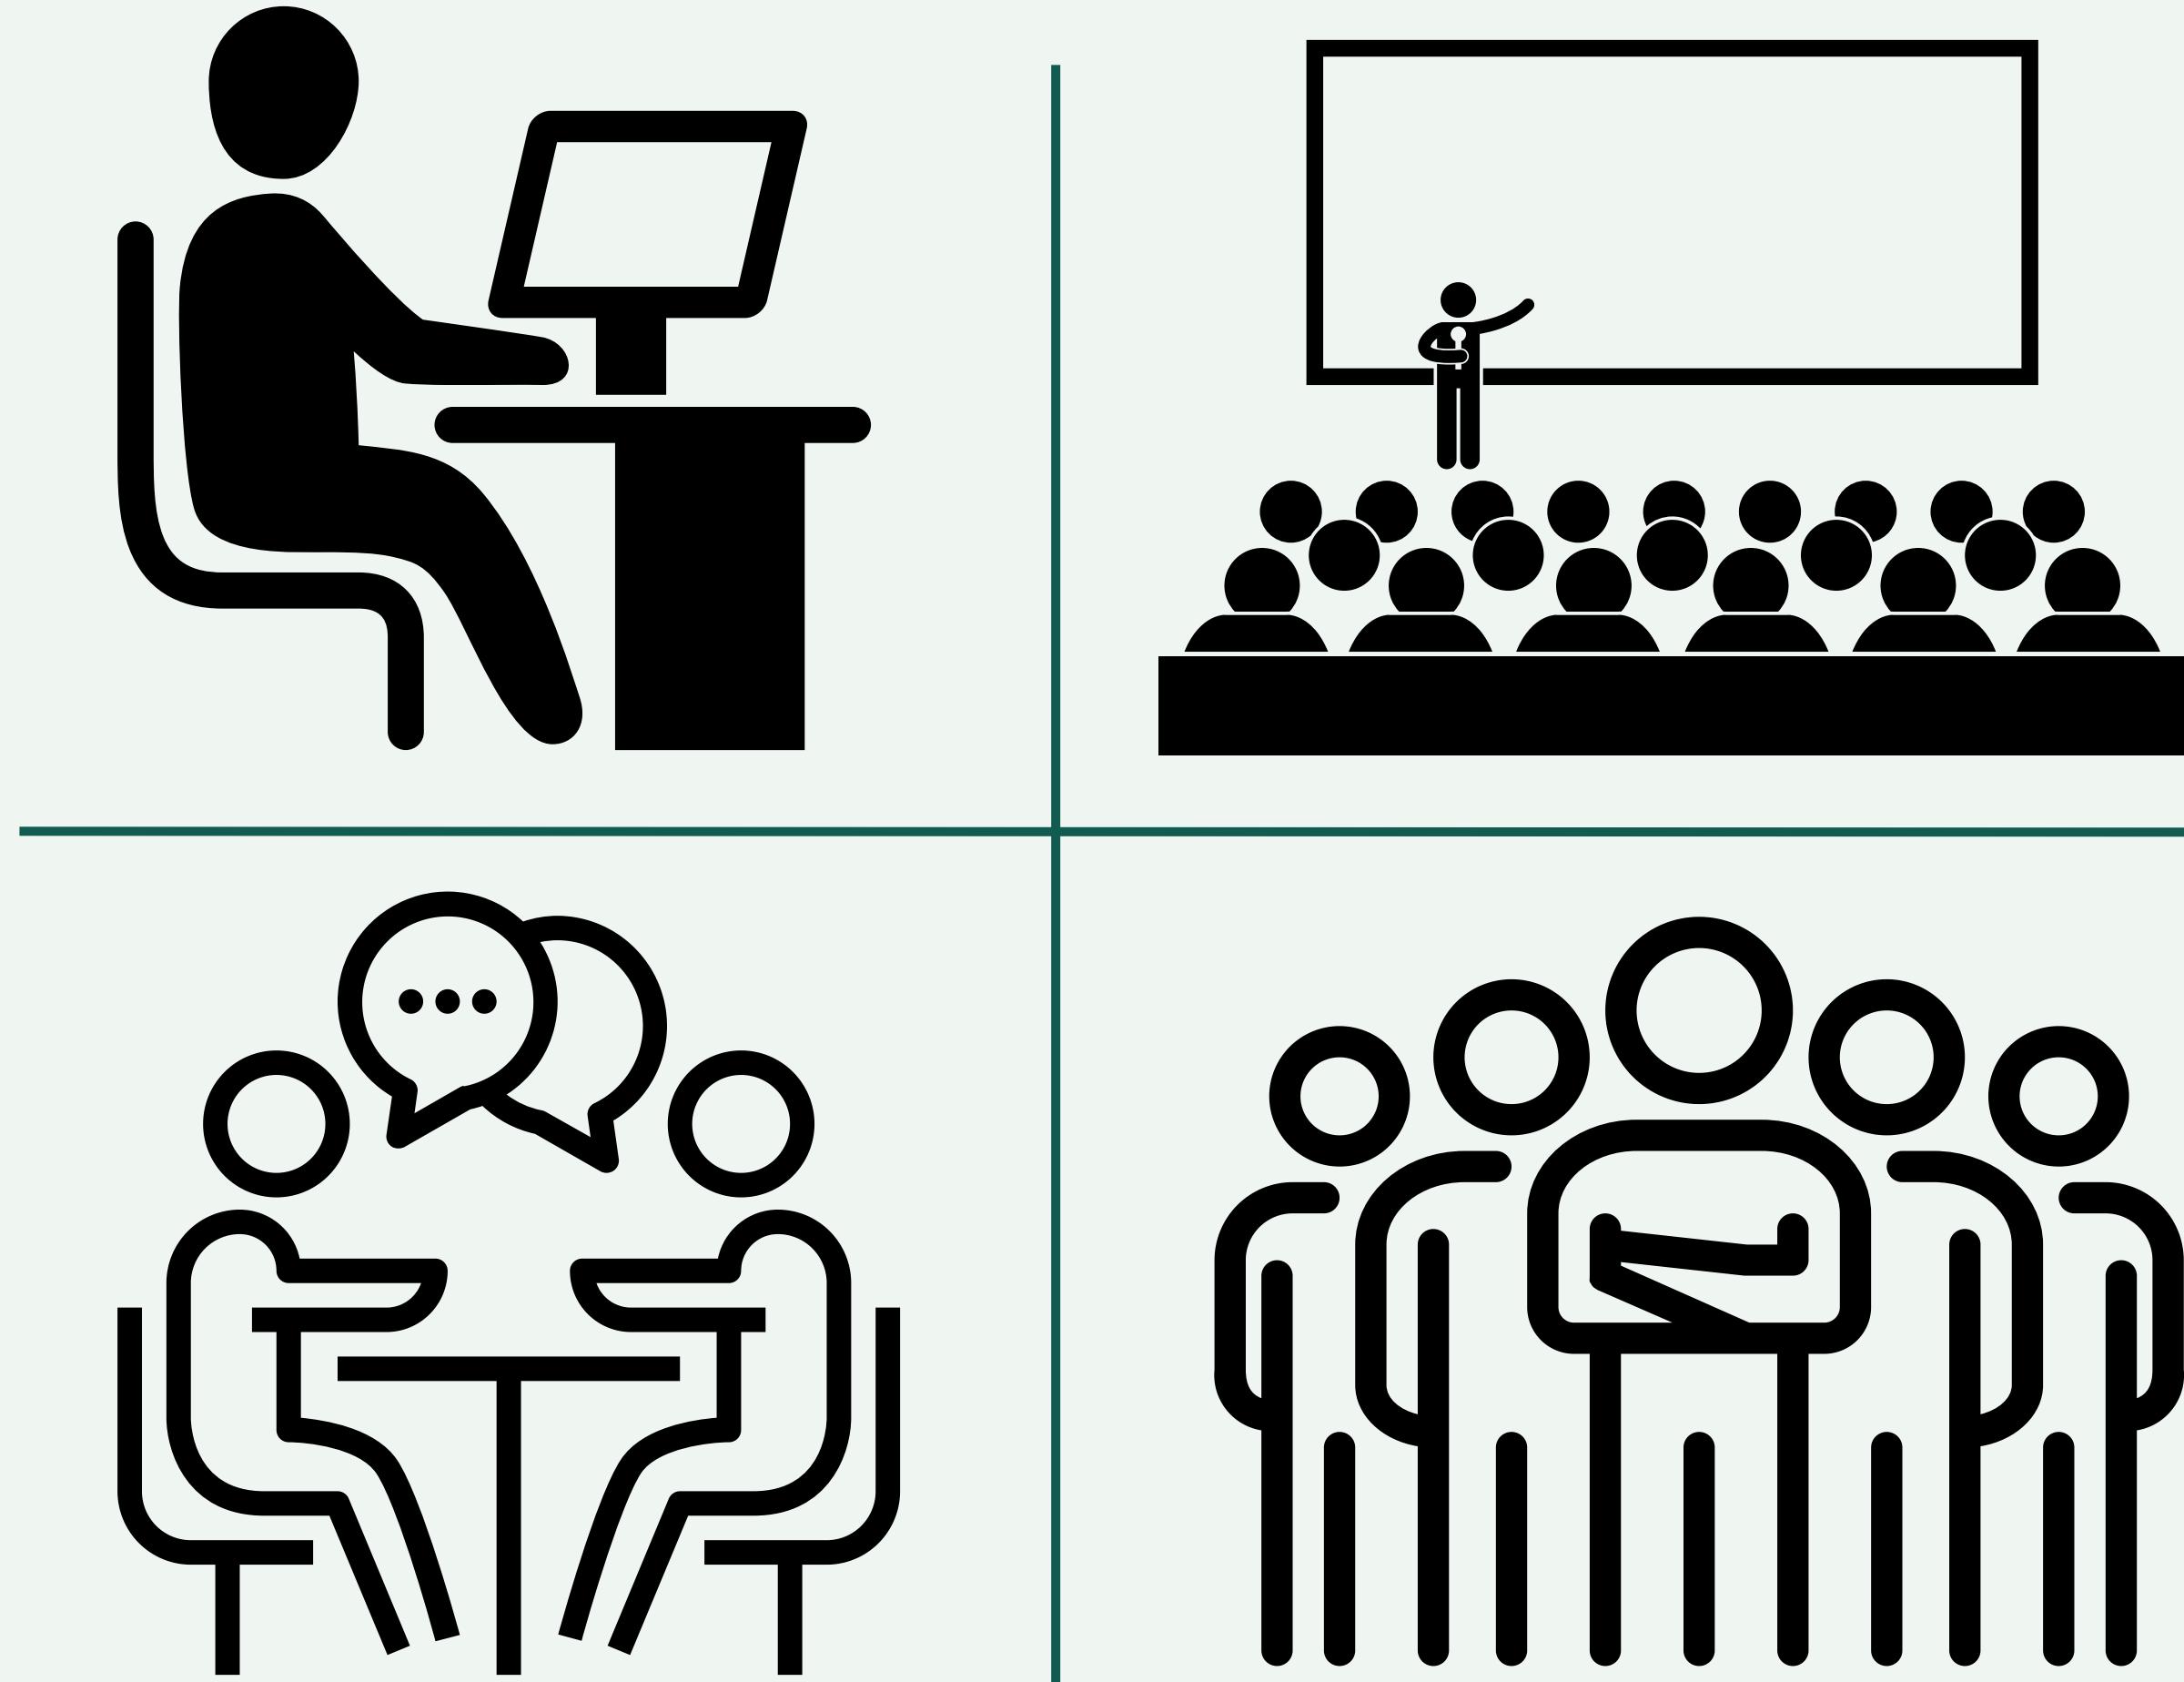

Advocate for yourself

Expand your network

LESSON LEARNED

GOALS

Remember: It gets easier
every time you do it

3.

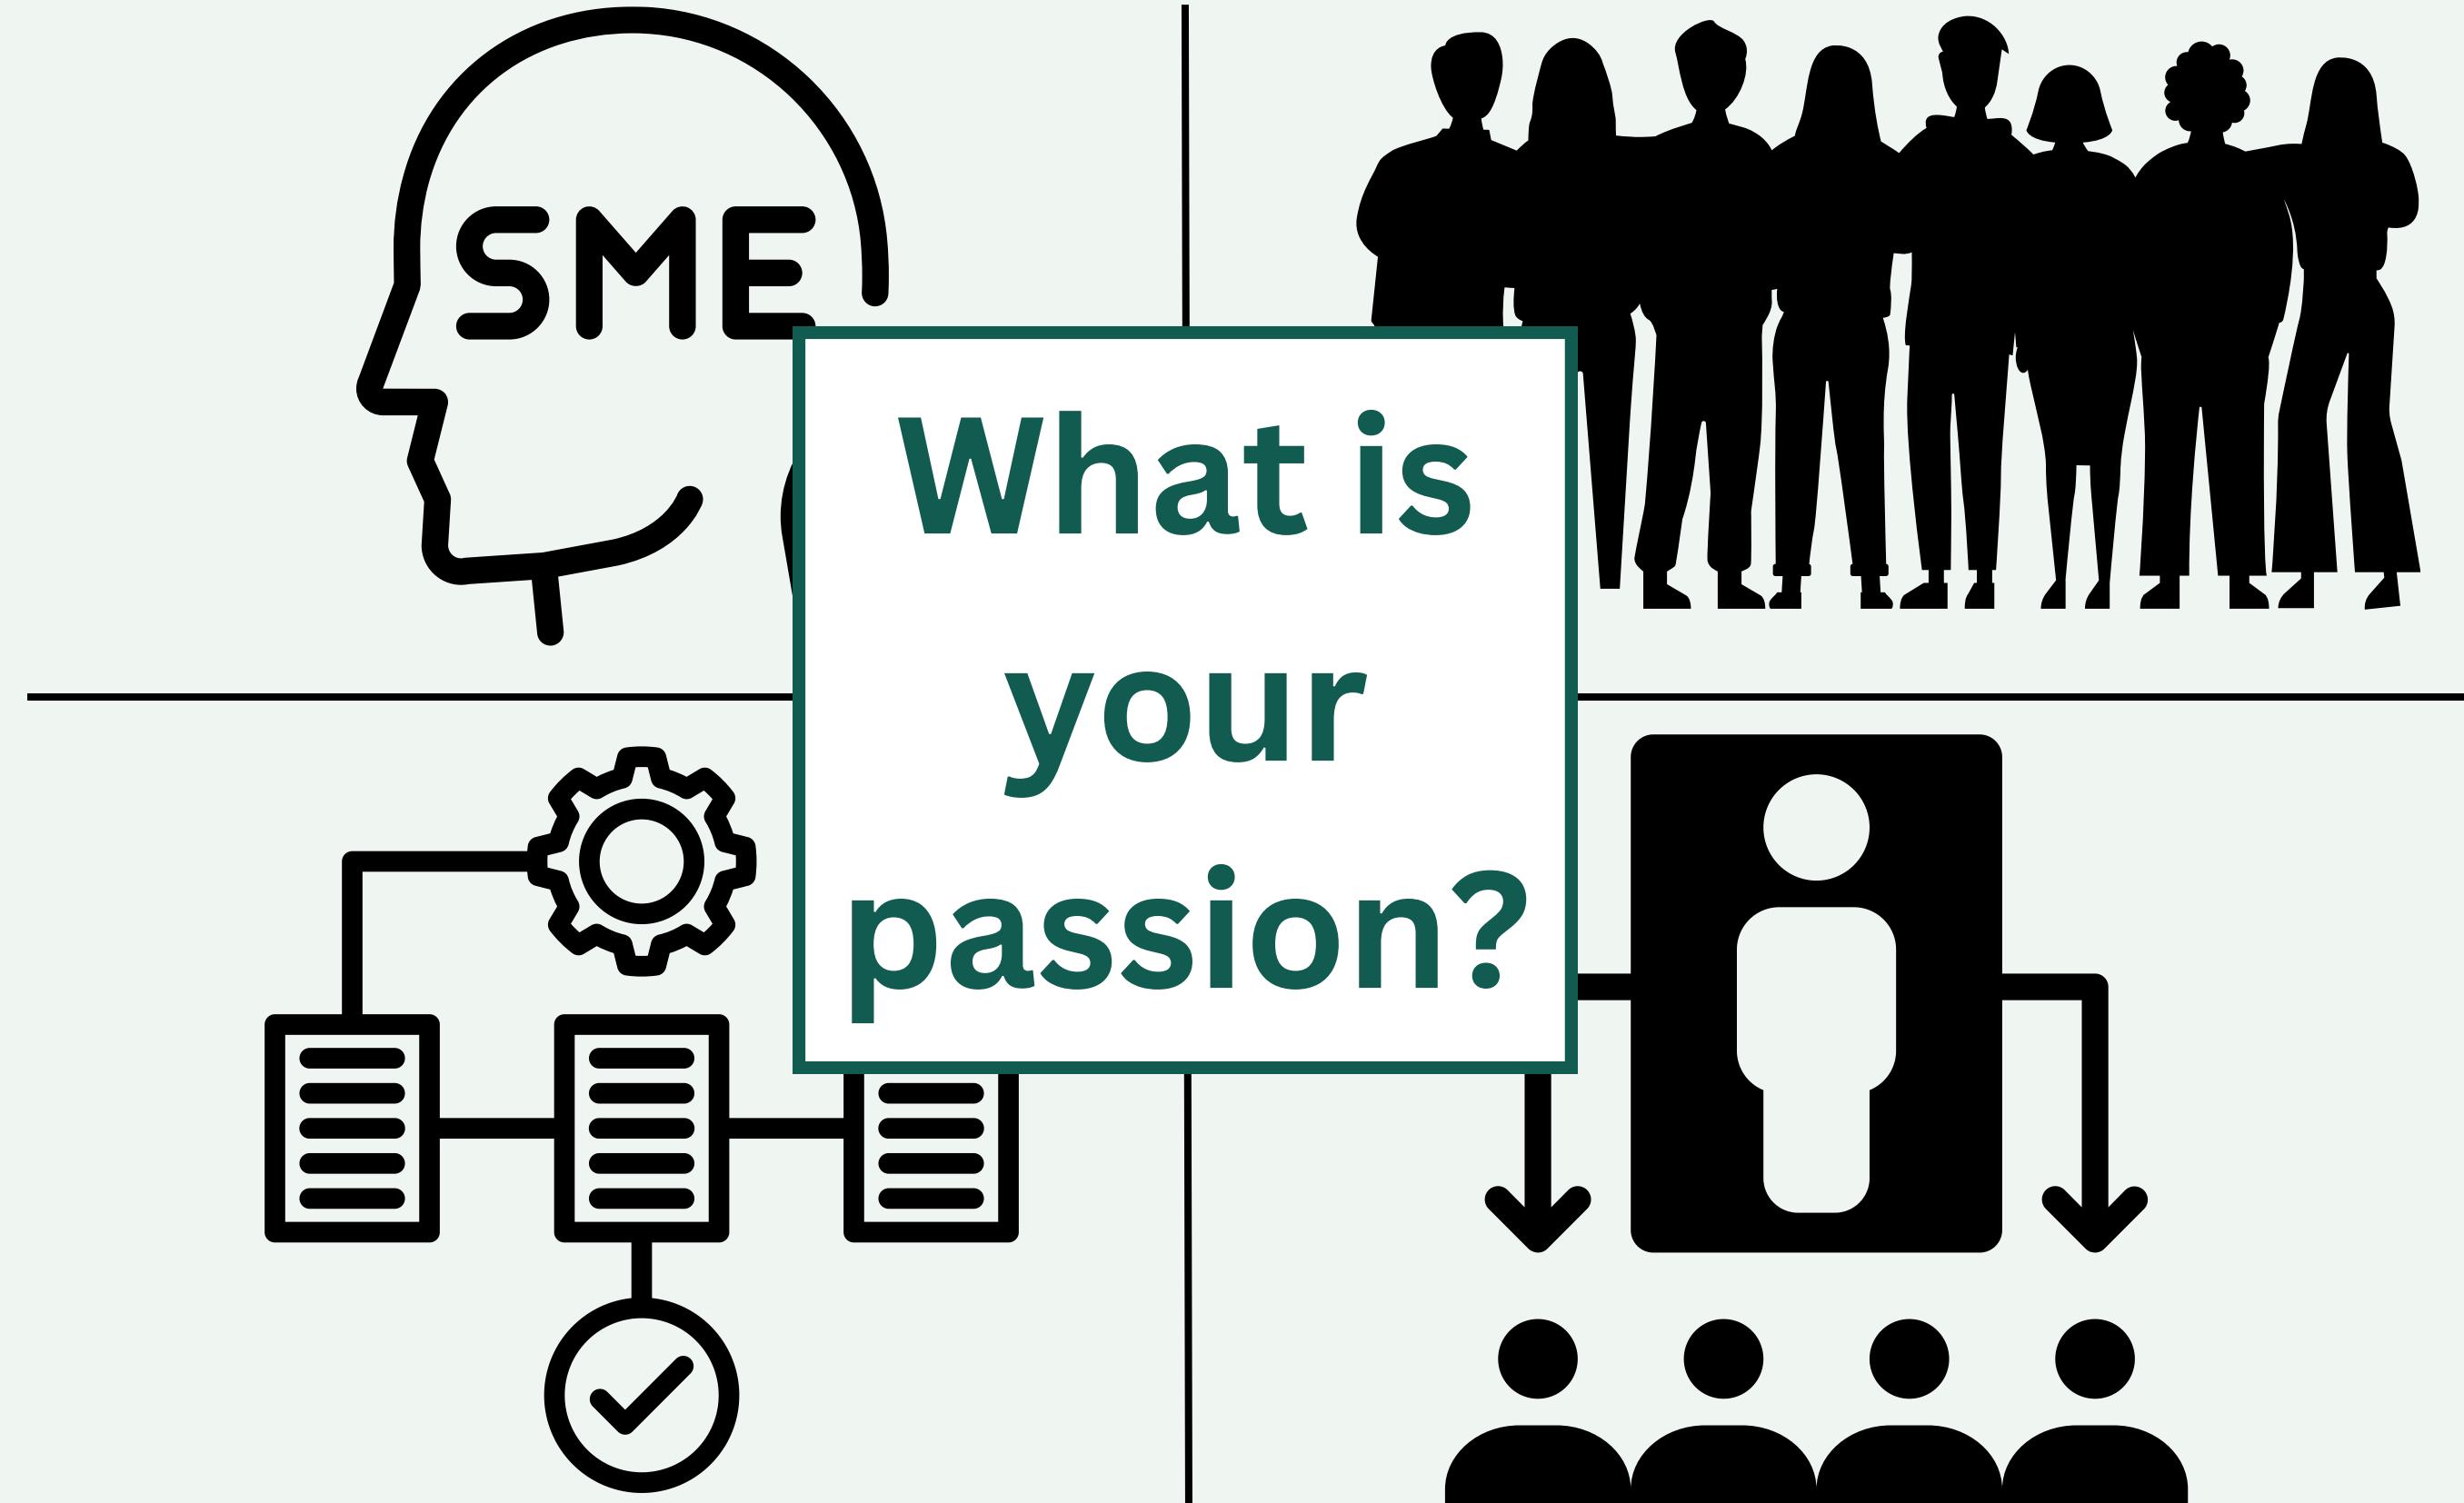

Find your niche

Draymond
Green

WHAT COULD BE YOUR NICHE?

Advocate for yourself

aspirations
abilities

Know your ~~worth~~,
Then ask for it

A new project

More responsibility

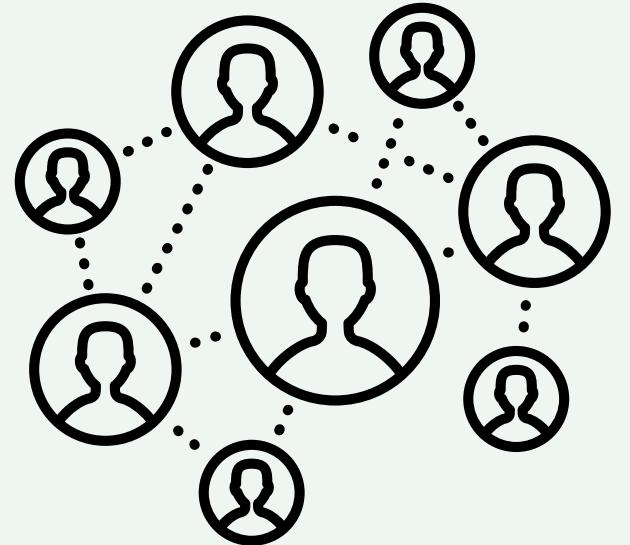

Personal development

What might you advocate for?

#opensource

Less responsibility

Expand your network

Find your niche

Advocate for yourself

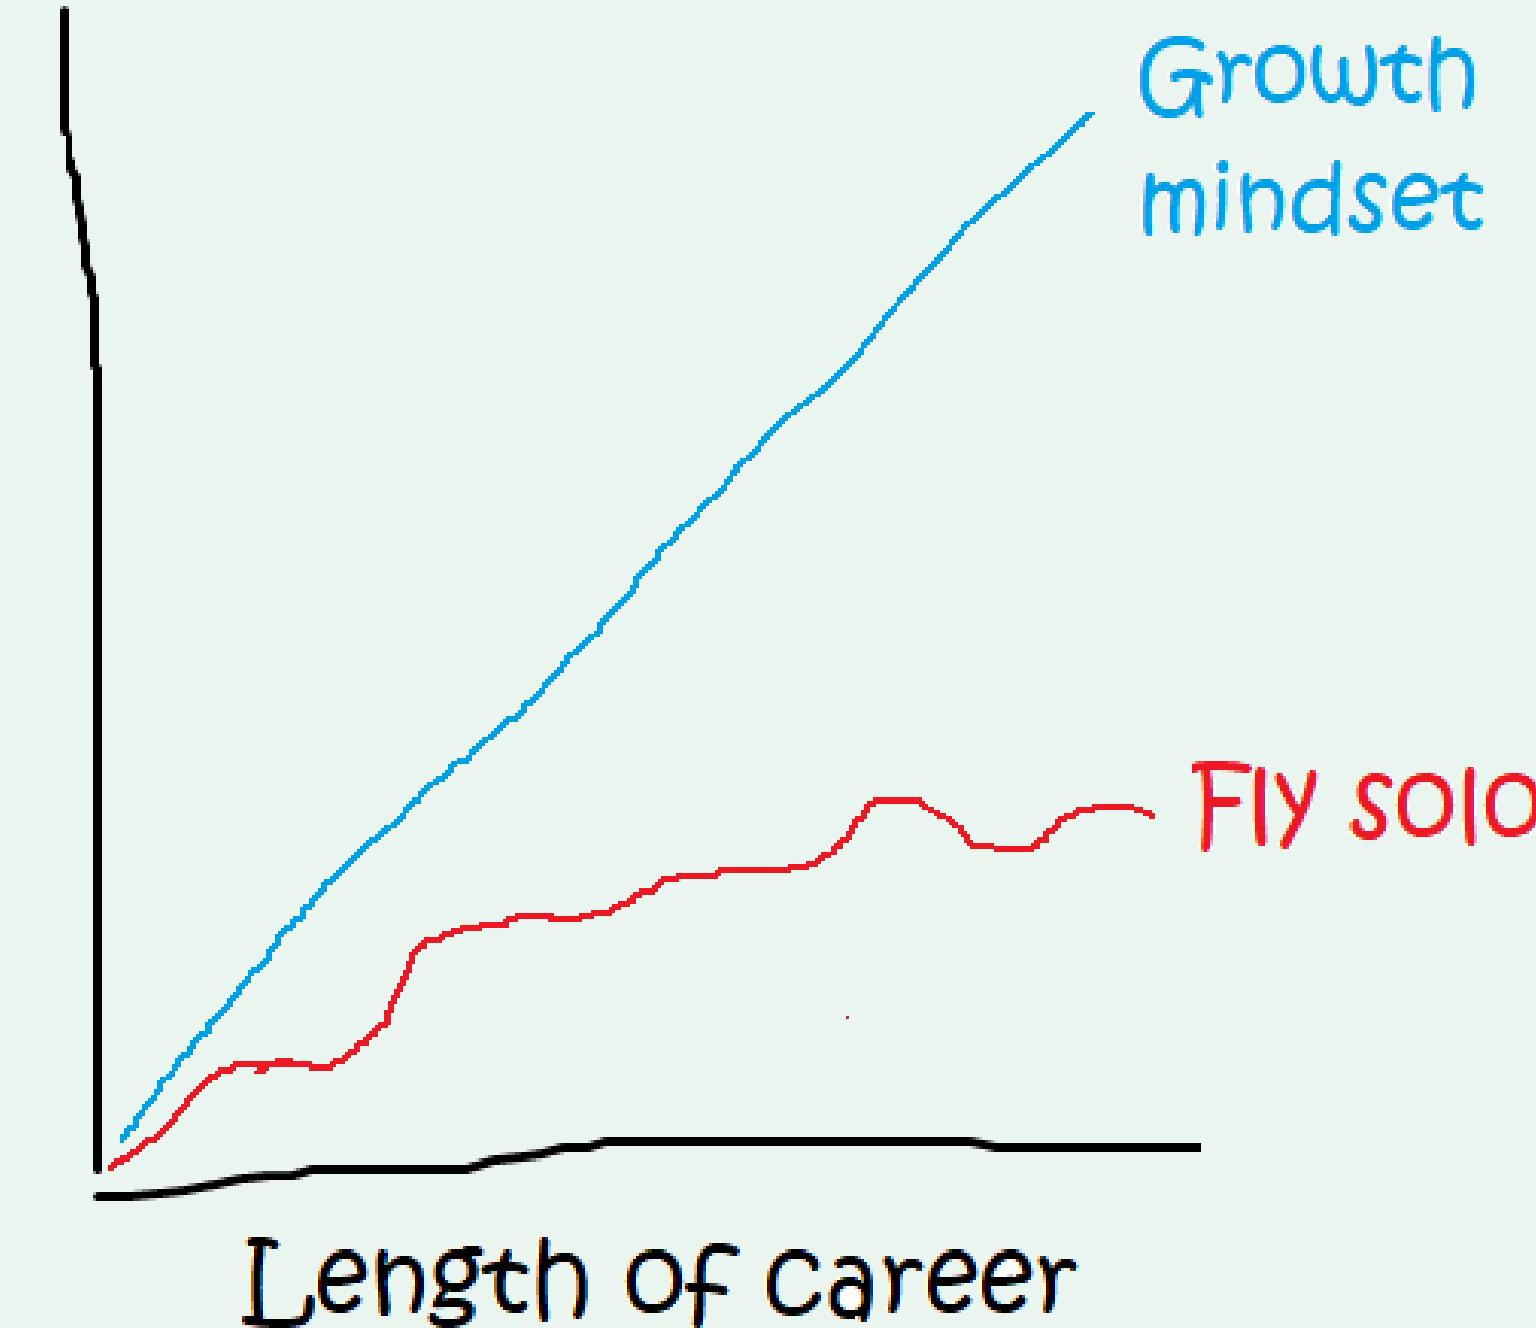

ME AFTER A DAY OF PEOPLING

Career Trajectory for Young Professionals

It's not just about the data.

It's also about the people.

THANK YOU
